To Whom It May Concern,

RE: Shaw Electrical Systems Pty Ltd

I am pleased to provide the following reference for Shaw Electrical Systems Pty Ltd (Chris Shaw). Shaw Electrical has been subcontracted by the Principal Contractors on several University of New England (UNE) projects over several years as the electrical, communications and security works subcontractor.

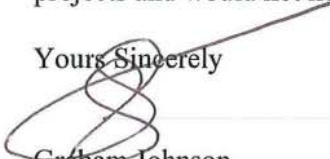

Projects Shaw electrical have been involved in at UNE have been very technical and highly serviced Office, Laboratory and Teaching Facility projects such as the,

- \$13,500,000 -Tablelands Clinical School (ongoing) a multi storey facility comprising General Practice Consultation rooms, Lecture Theatres, Medical Simulation Laboratories, Office Spaces and Meeting Tutorial spaces,
- \$9,000,000 - Joint Medical Program –Anatomy Facility comprising Gross Anatomy Facilities, Lecture Theatre, Problem Based Learning Rooms and Admin Support Spaces,
- \$3,000,000 - Oorala Centre comprising Office, Lecture Theatre & Gathering Spaces and the rationalisation of Zone High Voltage systems into new Main area Switch Boards,
- \$2,000,000 - Ingrid Moses Central Courtyard comprising the University's Principal gathering space comprising High Quality feature lighting and power functionality,
- \$2,500,000 – UNEP Heritage Office Refurbishment to the State Heritage Listed C B Newling Building on the University's C B Newling Campus. This project comprised the provision of new Consumer and Main Switchboard installations to meet NSW State Heritage specifications in regard to installation and concealment of services.

Shaw Electrical has delivered on time and has provided installations and services meeting AGBR, 5 Star Greenstar specifications to very technical electrical installations and they have delivered them to a very high standard.

In my experience the quality of installations has been unsurpassed and I would recommend Shaw Electrical to you as an Electrical/Data/Security installation Contractor for any like projects and would not hesitate to use them for any future UNE Projects.

Yours Sincerely

Graham Johnson
